www.birdslanding.net

WCLBMA's NorCal 2nd Growth group has organized and is hosting the WCLBMA's first ever clay shoot on November 4th at Birds Landing, a full-service, world-class upland game hunting preserve and sporting clays facility. This 'destination' facility is close to the Napa Valley Wine Country and the San Francisco Bay Area. Birds Landing features two fully automated sporting clays courses dynamically set to both reward and challenge shooters of all skill types.
