

2025 2nd Growth Mill Tour Details:

6.18.25 | From Seed 🌱 to Saw 🪚: Turner Nursery & Forest Tour

Experience the full lifecycle of a tree—from how it's grown at Turner Nursery to the clear-cut harvesting process in the forest. You'll witness firsthand how trees are transformed into Engineered Wood and Lumber.

6.19.25 | Murphy🪚Plywood: Foster, OR

Explore the journey from log to veneer and then to finished plywood at Murphy Plywood. With over a century of excellence, Murphy continues to deliver top-tier veneer-based wood products backed by exceptional service.

6.19.25 | Rosboro🪚 – Glulam Beam Manufacturing: Springfield, OR

Gain in-depth knowledge of Glulam Beams with a 2-hour product education session followed by a guided tour of Rosboro's innovative manufacturing facility. Unlike traditional producers, Rosboro's advanced techniques allow them to create full-width, architectural-grade beams at scale—offering the industry high-quality, cost-effective framing solutions.
